

Southwestern Region Centralized Temporary Hiring Outreach Notice—December 2012

The Southwestern Region is looking for a committed, hardworking, highly skilled workforce to work in many fields on 11 national forests located in Arizona and New Mexico. Working in the Southwestern Region is very rewarding and requires talented people working safely as part of a team in a variety of specialized positions; including Archeology, Range, Timber, Recreation, Engineering, Wildlife, Administration and Fire.

The Centralized Temporary Hiring process streamlines the hiring process for temporary fire, forestry and other positions and provides consistent hiring around the Region. This hiring process assists the national forests in the Southwestern Region to fill vacancies in a more efficient and timely manner.

Included is (1) the outreach for GS and WG 02 through 07 current temporary positions covered by the Open Continuous Rosters (OCRs); (2) the Outreach Notice Reply; and (3) instructions on how to apply.

The vacancy announcements for these positions are posted on USAJobs, the U.S. Government's official website for employment opportunities. There are Open Continuous vacancy announcements with no closing date. Apply by **January 11, 2013**. Applicants who have met the deadline and are found to be qualified and in the quality group will be referred for consideration to the selecting officials. **While the announcements are for current vacancies available in the Southwestern Region, please apply to any position and duty station you may be interested in as those positions may become vacant through the Centralized Temporary Hiring process.**

IMPORTANT: Complete the Outreach Notice Reply. Your response is important. Address your outreach response to the contact listed for each location. Additional information about the position is available from the direct supervisor.

The Process and Timeline

December 11, 2012—Outreach begins. See the Outreach Notice listing vacant temporary positions and locations from the GS and WG, 02 through 07 levels. **NOTE: Not all vacancy announcements are available at the opening of this Outreach period. The announcements should be available to applicants soon.**

January 11, 2013 — Application deadline. Apply through USAJobs. Applicants are encouraged to apply for multiple locations (**where they would accept a position if offered**), even if vacancies for certain locations are not listed as vacant. Vacancies may occur during the hiring process and could be filled during Selection Week.

January 28 – February 1, 2013—Application evaluation. Subject matter experts will generate reference evaluations for use by selecting officials.

February 4 - 8, 2013 — Selections, Representatives from each forest will make recommendations for hiring. Forest Service representatives will notify selected applicants by phone. Applicants not selected will be notified by e-mail.

Effective date – Please contact the supervisor or Ranger District office for more information on the effective date.

See our <http://www.fs.usda.gov/r3> website for more information.

Southwestern Region Fire Hire Outreach Notice—How To Apply December 2012

Please read the entire announcement and all the instructions before you begin.

You must complete the application process and submit all required documents electronically by 11:59 p.m. Eastern Time (ET) on January 11, 2013. Assistance is available during business hours (normally 8 a.m. – 4 p.m., Monday–Friday). Applying online is highly encouraged. If applying online poses a hardship, please contact our office well before the closing date for an alternate method. All hardship application packages with supporting documents must be received no later than noon on **[date]** in order to be entered into the system prior to its closing. This agency provides reasonable accommodation to applicants with disabilities on a case-by-case basis. Please contact us if you require this for any part of the application and hiring process.

Step1 – Create a [USAJOBS](#) account (if you do not already have one). It is recommended that as part of your profile you set up automatic email notification to be informed when the status of your application changes. If you choose not to set up this automatic notification, then you will have to log into your USAJOBS account to check on the status of your application.

Step 2 - Create a Resume with USAJOBS or upload a Resume into your USAJOBS account. You may want to customize your resume to ensure it documents duties and accomplishments you have gained that are directly related to this position in order to verify that qualifications are met. In addition, your resume must support your responses to the online questionnaire (you may preview the online questionnaire by clicking on the link at the end of the How You Will Be Evaluated section of the job announcement).

Step 3 - Click "Apply Online" and follow the prompts to complete the Occupational Questionnaire and attach any additional documents that may be required.

You can update your application or documents anytime while the announcement is open. Simply log into your USAJOBS account and click on "Application Status." Click on the position title, and then select "Update Application" to continue.

Required Documents

The following documents must be submitted to constitute a complete application package. It is your responsibility to ensure that all required documents are received within the required timeframes. Our office cannot be responsible for incompatible software, illegible fax transmissions, delays in the mail service etc. Failure to submit required, legible documents will result in elimination from consideration.

1. **Resume** that includes the following information: 1) job information for which you are applying; 2) personal information; 3) education; and 4) work experience.
2. **College Transcripts** if education is required for meeting basic qualifications and/or you are substituting education for specialized experience. An unofficial copy is sufficient with the application, however, if selected; an official college transcript will be required.
3. **DD-214** (Member 4 Copy) and/or SF-15 Application for 10-point Veteran Preference if claiming Veterans' Preference or eligibility for appointment under the VRA, VEOA, or 30% Disabled Veterans hiring authority.
4. **Certification of Disability** if you are eligible for appointment based on a disability under the Schedule A hiring authority. This certification can be documented by a counselor from a State Vocational Rehabilitation Agency or the Vocational Rehabilitation and Employment Service of the Department of Veterans Affairs; by a statement or letter on a physician/medical professionals' letterhead stationary; or by statements, records, or letters from a Federal Government agency that issues or provides disability benefits. The certification must verify the applicant has a severe disability, is eligible under a Schedule A appointment authority, and he or she is able to perform the essential duties of the position. The certification must also describe any needed reasonable accommodation. You can review additional information at: <https://www.opm.gov/disability/appempl.asp>.
5. If you are eligible for appointment based on service in the Peace Corps, Vista, Action Cooperative, or another special authority, submit proof of eligibility.

NOTE: If a document is resubmitted, it replaces the previous submission, which means the previous document is no longer available to the Human Resources Office. If you are adding to, rather than replacing a previous submission, you must upload both the old document and the new document.
